

Test, Adjective/Adverb Phrases, Friday, 3/31

Here is what you need to know for the test:

- *Identify prepositional phrases**
- *Identify adjective phrases and what they modify.**
- *Identify adverb phrases and what they modify.**
- *Distinguish between adjective and adverb phrases.**
- *Write sentences with adjective phrases and with adverb phrases.**

You will need all of your grammar notes to prepare for this test. You should have notes on prepositions/prepositional phrases, adjectives, adjective phrases, adverbs, and adverb phrases. If you cannot find any or all of these notes, they are posted on the website; I also have hard copies if you so choose. You should also study all worksheets and packets you have done.

Good luck! ☺
