

Alien Vacation!

Imagine that you are an alien who has just returned to your home planet after a vacation to Earth. Your local newspaper asks you to write an article about your experiences. In your article, you need to give very specific, vivid descriptions of Earth (people, places, etc.). You also need to give your overall opinion of the planet.

- Your article needs to be **2-3 paragraphs** in length
- You must use at least **20 different adjectives** throughout the article.
- You must underline all of the adjectives.
