

Icarus Reader Response

Due Monday, 1/14/19

Task: Discuss a theme/message in the Icarus myth and a theme/message in the Icarus poem; write your opinion of each theme/message (agree or disagree and why?).

Steps:

1. Review your graphic organizers, making sure they are complete.
2. Write three paragraphs, incorporating all the info in your organizer. Remember, a good paragraph has 5-7 sentences.
 - ❖ First paragraph: discuss the theme in the Icarus myth.
 - ❖ Second paragraph: discuss the theme in the Icarus poem.
 - ❖ Third paragraph: discuss our opinion of both and why.

Make sure to include an introductory sentence in each paragraph, making sure to include the titles and authors of the myth and poem in paragraphs one and two. As always, double check your spelling, grammar, and mechanics!

Good luck! :)
